3 Read the following, then answer the questions:

Should we work all the time without having rest? The answer is that we can't go on working without stopping. From time to time we need some rest and do some interesting activities. If we didn't do that, we could make mistakes and our work might get worse. If we work all the time, we may lose the ability to think clearly and have no energy to go on working, so sleep is very important. It renews our energy. Sports and games are also important for the people who stay in closed offices and are not able to do exercises, such activities as swimming and walking may give them a lot of energy, so we shouldn't waste our weekends and try to forget all about our work. We can then enjoy ourselves.

When we taste food, our mouths tell us if the food is sweet, salty or spicy. But why do some people like some types of food and not others? There are many reasons. For example, some people don't like a type of food because they remember being ill after they ate it. However, it is believed that you can change what you like. We often don't like unusual food because our brain doesn't understand it. So if you want to start liking food that is healthy, such as green vegetables, you should eat it more often. Then your brain will **recognise** it. You can also train your brain not to like something. For example, many people who stopped putting sugar on things found, after a time, that they didn't like sweet things. Plastic is everywhere! We use it for many different things. The problem is, plastic stays in the environment for a very long time. Some of the plastic people find on beaches is about 100 years old! We can **recycle** some plastic, but most of it goes into the ocean. plastic is poisonous when animals eat it. Every year, more than 100. sea animals and birds die from plastic. Dolphins and sea birds also swim into plastic fishing lines. We must try to use other materials such as paper and glass, for example, because **these** are easier to recycle. When we use a plastic shopping bag, we should try to use it more than once. We mustn't throw away these bags. It will take a long time to clean all the plastic rubbish from the beaches and the ocean. But we mustn't stop trying to help our planet!
